

Olympia School District

Community Survey on Academic and Wellbeing Supports; Initial Results

2021-22 SY Budget Planning

Survey Design

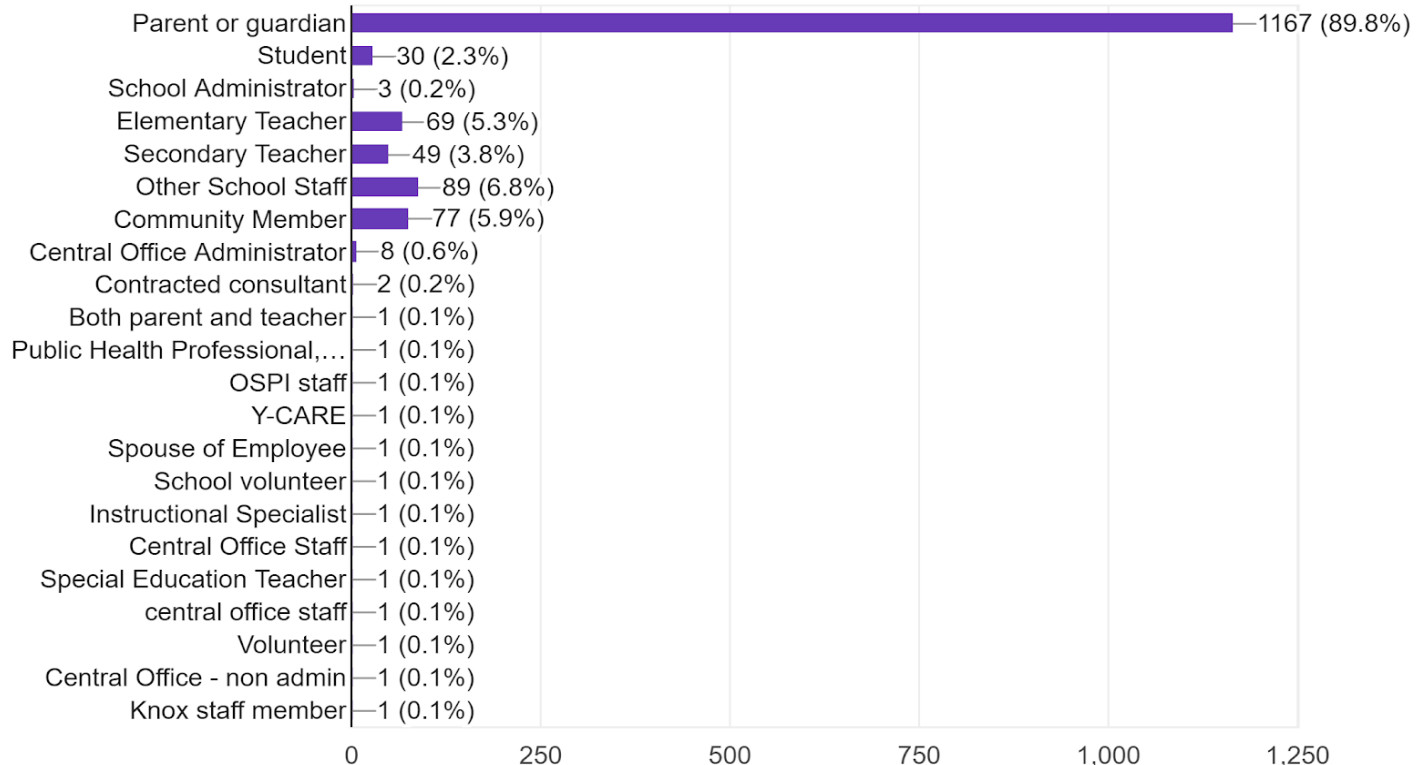

- Community member type: Student, Staff, Parent or Guardian, Teacher, Other School Staff, Central Office, School Administrator
- Schools family is most associated with
- Mix of Rank-order questions and narrative questions
- 1,312 survey responses
- Narrative responses are being processed to redact personally identifiable information

Respondent Summary

Please give us some background on your connection to the Olympia School District, check all that apply:

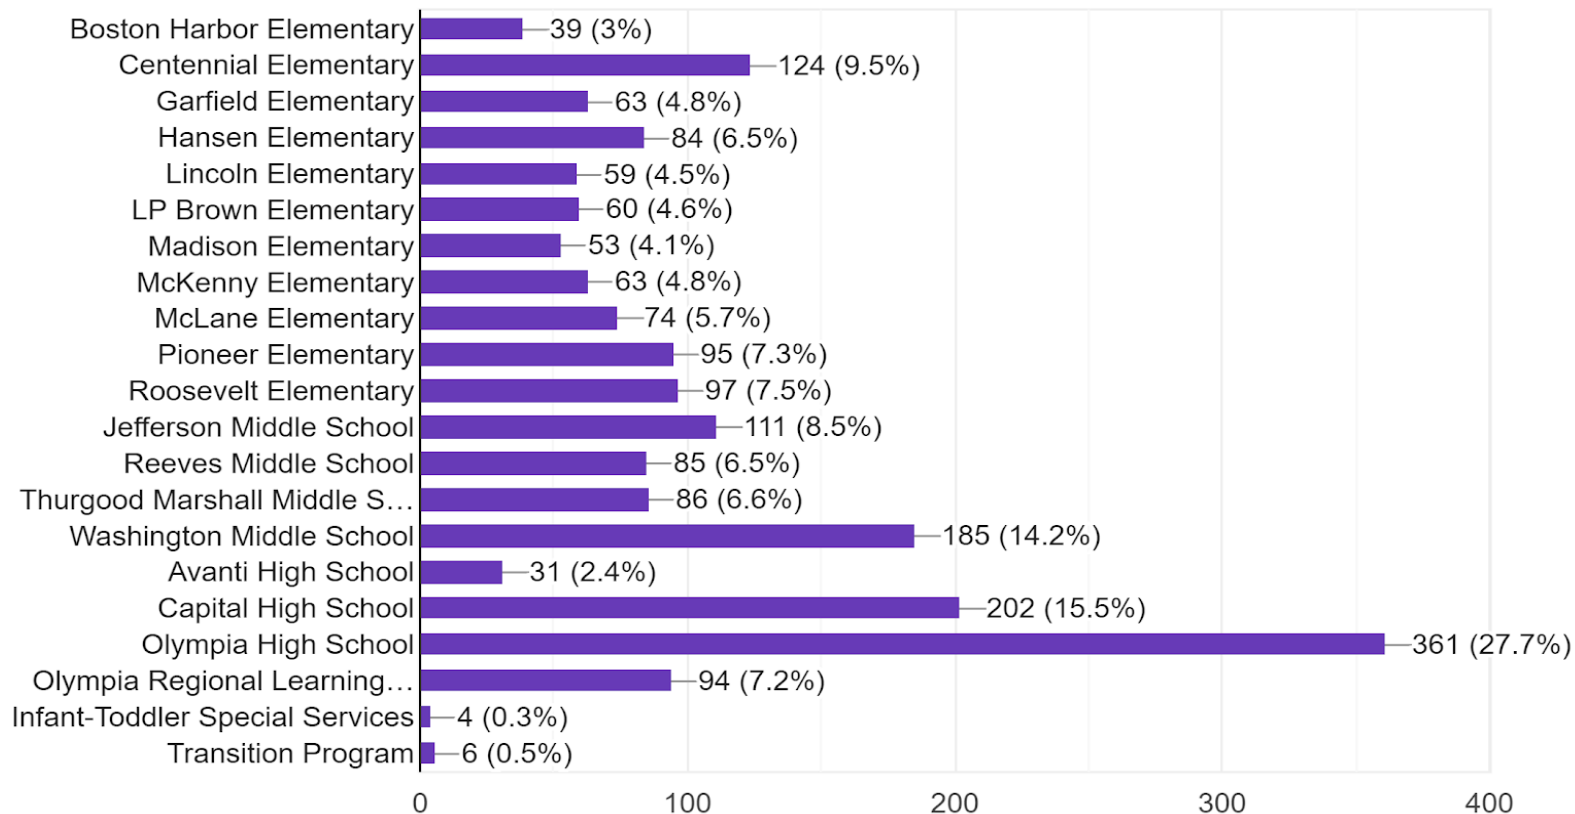

1,300 responses

School Affiliation

Please tell us what school(s) you or your family is most associated with, check all that apply:

1,302 responses

ACADEMIC SUPPORT

Academic Acceleration

- Indicate which strategies you think are most important for the district to invest in for **elementary** students' academic acceleration.
 - Additional math and literacy support in school
 - Increase integrated learning opportunities during the regular school day (e.g., field trips, outdoor & experiential learning)
 - Enhanced after-school tutoring/academic support with transportation
 - Additional classroom staffing
 - Extended school day/year
 - Free or low cost summer learning opportunities integrated with enrichment (e.g., field trips or outdoor learning)

Elementary Academic Survey Tool

Indicate which strategies you think are most important for the district to invest in for elementary students' academic acceleration. Please select only one rank per item AND only rank one item as #1, one item as #2, etc.

	Rank 1 (Highest/Best Investment)	Rank 2	Rank 3	Rank 4	Rank 5	Rank 6 (Least Important Investment)
Additional math and literacy support in school	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Increase integrated learning opportunities during the regular school day (e.g., field trips, outdoor & experiential learning)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Enhanced after-school tutoring/academic support with transportation	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Additional classroom staffing	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Extended school day/year	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
Free or low cost summer learning opportunities integrated with enrichment (e.g., field trips or outdoor learning)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

Elementary Accelerating Academics

Strategies	Rank 1	Rank 2	Rank 3	Rank 4	Rank 5	Rank 6	Total
Additional math and literacy support in school	458	261	168	88	97	29	1101
Integrated learning	270	305	214	135	99	55	1078
Enhanced after-school tutoring	45	128	228	308	200	88	997
Additional classroom staffing	275	233	208	175	114	51	1056
Extended school day/year	75	81	54	85	176	535	1006
Free or low cost summer learning, enriched	76	111	143	186	298	214	1028

- Least popular strategy: Extended the school year or day
- Next least popular: Enriched, free/low cost summer learning
- Middle tier: Enhanced after-school tutoring
- Top tier: Integrated learning
- Top tier: Additional classroom staffing
- Top tier: Additional math and literacy support in school

Academic Acceleration

- Indicate which strategies you think are most important for the district to invest in for **middle school** students' academic acceleration.
 - Additional core academic (math, science, social studies, English) support in school
 - Increase integrated learning opportunities during the regular school day (e.g., field trips, outdoor & experiential learning, CTE options and electives)
 - Additional classroom staffing
 - Extended school day/year
 - Enhanced after-school tutoring/academic support with transportation
 - Free or low cost summer learning opportunities integrated with enrichment (e.g., field trips or outdoor learning)

Middle School Accelerating Academics

Strategies	Rank 1	Rank 2	Rank 3	Rank 4	Rank 5	Rank 6	Total
Additional core academic (math, science, social studies, English) support in school	481	210	108	72	58	30	959
Increase integrated learning opportunities during school day	245	254	187	108	86	44	924
Additional classroom staffing	195	228	205	130	109	47	914
Extended school day/year	51	63	61	118	106	461	860
Enhanced after-school tutoring/academic support with transportation	33	133	182	244	244	47	883
Free or low cost summer learning opportunities integrated with enrichment	47	83	138	182	242	200	892

- Least popular strategy: Extended the school year or day
- Next least popular: Enriched, free/low cost summer learning
- Middle tier: Enhanced after-school tutoring
- Top tier: Integrated learning
- Top tier: Additional classroom staffing
- Top tier: Additional core academic (math, science, social studies, English) support

Academic Acceleration

- Indicate which strategies you think are most important for the district to invest in for **high school** students' academic acceleration.
 - Enhanced after-school tutoring/academic support with transportation or tutoring support via technology (Zoom) in the evening (e.g., group of tutors available for impromptu help)
 - Free or low cost summer learning opportunities integrated with enrichment (e.g., field trips or outdoor learning) and/or credit retrieval/recovery
 - Additional classroom staffing
 - Extended school day/year

High School Accelerating Academics

Strategies	Rank 1	Rank 2	Rank 3	Rank 4	Rank 5	Total
Enhanced after-school tutoring/academic support with transportation or tutoring support via technology (Zoom) in the evening	135	343	250	141	49	918
Free or low cost summer learning opportunities integrated with enrichment (e.g., field trips or outdoor learning) and/or credit retrieval/recovery	99	129	249	286	132	895
Additional classroom staffing	213	217	174	235	71	910
Extended school day/year	69	69	75	109	552	874

- Least popular strategy: Extended the school year or day
- Middle tier: Additional classroom staffing
- Middle tier: Free/low cost summer learning, enriched
- Top tier: Enhanced after-school tutoring support, with transportation and/or via technology

Academic Summary

Elementary (Highest to Lowest Priority)	Middle (Highest to Lowest Priority)	High School (Highest to Lowest Priority)
<ul style="list-style-type: none">• Additional math and literacy support• Additional classroom staffing• Integrated learning opportunities• Enhanced after-school tutoring• Enriched free/low cost summer learning• Extended school year or day	<ul style="list-style-type: none">• Additional core academic support• Additional classroom staffing• Integrated learning opportunities• Enhanced after-school tutoring• Enriched, free/low cost summer learning• Extended school year or day	<ul style="list-style-type: none">• Enhanced after-school tutoring support• Free/low cost summer learning, enriched• Additional classroom staffing• Extended school year or day

WELL-BEING RECOVERY

Well-being Recovery

- Indicate which strategies you think are most important for the district to invest in for **elementary** students' well-being recovery.
 - Additional staffing for social and emotional supports for students
 - Implement Restorative Justice program
 - Enhance curriculum on social and emotional well-being
 - Extra time for art, music, and PE
 - Implement culturally responsive curriculum

Elementary Well-being Recovery

Strategies	Rank 1	Rank 2	Rank 3	Rank 4	Rank 5	Total
Additional staffing for social and emotional supports for students	378	213	224	154	123	1092
Implement Restorative Justice program	45	109	150	254	439	997
Enhance curriculum on social and emotional well-being	175	317	311	157	109	1069
Extra time for art, music, and PE	451	251	181	116	115	1114
Implement culturally responsive curriculum	122	220	202	304	195	1043

- Least popular strategy: Implement restorative justice program
- Next least popular: Implement culturally responsive curriculum
- Middle tier: Enhanced curriculum on social and emotional well-being
- Top tier: Additional staffing for social and emotional supports
- Top tier: Extra time for art, music and PE

Well-being Recovery

- Indicate which strategies you think are most important for the district to invest in for **middle school** students' well-being recovery.
 - Additional staffing for social and emotional supports for students
 - Fully implement Restorative Justice program
 - Cheaper and more accessible clubs and sports, with an activity bus home each day
 - Support daily focus on social and emotional learning (e.g., homeroom or daily advisory)
 - Implement culturally responsive curriculum

Middle School Well-being Recovery

Strategies	Rank 1	Rank 2	Rank 3	Rank 4	Rank 5	Total
Additional staffing for social and emotional supports for students	372	182	182	124	87	947
Fully implement Restorative Justice program	69	114	129	206	348	866
Cheaper and more accessible clubs and sports, with an activity bus home each day	321	219	196	119	108	963
Support daily focus on social and emotional learning (e.g., homeroom or daily advisory)	156	298	235	137	107	933
Implement culturally responsive curriculum	99	156	187	263	197	902

- Least popular strategy: Implement restorative justice program
- Next least popular: Implement culturally responsive curriculum
- Middle tier: Daily focus on social and emotional learning
- Top tier: Cheaper and more accessible clubs and sports
- Top tier: Additional staffing for social and emotional supports

Well-being Recovery

- Indicate which strategies you think are most important for the district to invest in for **high school** students' well-being recovery.
 - Additional staffing for social and emotional supports for students
 - Additional social worker staff
 - Cheaper and more accessible clubs and C-Team sports, with an activity bus home each day
 - Support daily focus on social and emotional learning (e.g., homeroom or daily advisory)
 - Implement culturally responsive curriculum

High School Well-being Recovery

Strategies	Rank 1	Rank 2	Rank 3	Rank 4	Rank 5	Total
Additional staffing for social and emotional supports for students	303	242	190	139	75	949
Additional social worker staff	135	248	211	184	117	895
Cheaper and more accessible clubs and C-Team sports, with an activity bus home each day	303	152	205	131	158	949
Support daily focus on social and emotional learning (e.g., homeroom or daily advisory)	138	223	184	247	132	924
Implement culturally responsive curriculum	136	105	141	156	366	904

- Least popular strategy: Implement culturally responsive curriculum
- Next least popular: Daily focus on social and emotional learning
- Middle tier: Additional social worker staff
- Top tier: Cheaper and more accessible clubs and sports
- Top tier: Additional staffing for social and emotional supports
