April 2016

From Principal
Ernie Rascon

Dear Parents,

Greetings! Thanks to all teachers, parents and students for your time and energy

spent on successful conferences last week. Let's have a strong push for continued success upon our return from Spring Break.

The annual H. C. C. Bingo & Pizza Night on March 18 was a smashing success! Special thanks to those who organized the event and many special thanks to all parents who helped set up the cafeteria, serve food and refreshments, and clean up afterwards.

The Smarter Balanced Assessment (S.B.A.C.) for grades 3, 4, and 5. Look for more specific information from your child's teacher. Third grade began testing earlier

this week. Good luck students!

Fifth grade students will attend Cispus/Outdoor School third session this year.

Baggage/luggage will be picked up and taken to Camp Cispus with the kids on Tuesday, May 10th at 9:30 am. The students will leave at 9:00 am on Wednesday, May 11th and return on Friday, May 13th between 4:00 and 4:30 pm. Please mark your calendars now as these dates are not a misprint. Kids who are not going to Cispus are expected to attend school on Wednesday, Thursday, and Friday.

The annual Volunteer Social is Monday, May 3rd at 6:00 pm in the Library. Muffins for Mom will be on Friday, May 6th at 7:30 am in the cafeteria.

As we begin asking families about whether they are returning to Hansen next school year our teachers begin to think about making student placements for the next school year. Student classroom teacher placement is a decision made with a lot of thought and effort by teachers and staff at Hansen. Teachers work together to make the best possible class lists for the coming school year. Teachers take many things into consideration when developing balanced class placements, such as: Behavior, academic performance, gender balance, and social dynamics. Changes to class rosters affect the school in many ways. Student classroom teacher placement should be considered final. Have a safe, fun, and relaxing weekend!

Sincerely,

Ernie Rascon

We offer gluten free and dairy free options in our lunchroom. All we need to get your child started on our special diet plans is a note from their doctor explaining their food allergy. We would love to start serving your child in our cafeteria. If you have any questions, please give me a call at (360) 596-7407. Thank you for allowing me to meet your child's dietary needs.

Hansen Kitchen Manager

To decrease disruption to the classroom environment and student learning; items and messages that need to go to your child will be taken by a Hansen staff member.
