Dear Parents,

Greetings! It is, once again, with great pleasure that I write this final newsletter to wrap up the 2007-08 school year. What another fantastic year it has been! I would like to thank each and every one of you for your support of our fine teaching staff and your children again this year.

Many thanks to our Hansen Community Council. Without your support and energy there are many, many things that would not get done at our school. Your leadership has provided many wonderful things for our kids, especially field trips, enrichment assemblies, and other special programs.

I would also like to thank those parents and other volunteers that were able to spend over 18,000 hours in our school, on field trips, and other school related activities. Without your support there would be many children who might not receive direct help with reading, math, or other areas of instructional need. Also, volunteers provide many other valuable services such as organizing our Junior Programs, fundraising, working in the library, sewing costumes, assisting with the Book Fair, the Hansen Spring Fling Auction, Pizza & Bingo Night and many other activities or functions.

Thanks to those who were able to attend Muffins for Mom. This serves as a reminder that our annual ***Donuts for Dad*** is Friday, ***June 13 at 8:00 am*** in the cafeteria. While you are here, please check the lost and “not” found area to pick up any missing clothing items before we turn them over to the clothing bank.

Hansen grade level supply lists for all classrooms will be available in the office soon. Supply lists will be posted in the main entryway windows after June 25, 2008. A copy of supply lists will be available in the west side office supply stores at Office Depot, Office Max and Staples.

The onset of school is exciting and one of the things kids look forward to is buying new clothing, shoes, etc. When making purchases please keep the following in mind:

- Clothing should cover stomachs, backs, shoulders, chests, and undergarments.
- Shorts, skirts, and dresses should be longer than mid thigh and cover undergarments.
- Footwear must be worn at all times and should be appropriate to the activity.
- Strapless shoes and high heels are discouraged for safety reasons.
- Exceptions may be made for P.E. or school activities.

The first day of school for the 2008-09 school year is Wednesday, September 3, 2008.

Finally, thanks to our staff. Each and every one of our teachers is just awesome! The Hansen School staff is filled with superstars! We will have many new ideas to offer our children next year in 2008-09. Have a safe and memorable summer!

Sincerely,

Ernie Rascon
