

Students and Telecommunication Devices

Students in possession of telecommunications devices, including, but not limited to, pagers, beepers and cellular phones, while on school property or while attending school-sponsored or school-related activities shall observe the following conditions:

- A. Telecommunication devices shall be turned on and operated only before and after the regular school day and during the student's lunch break, unless an emergency situation exists that involves imminent physical danger or a school administrator authorizes the student to use the device.
- B. Students shall not use telecommunication devices in a manner that poses a threat to academic integrity, disrupts the learning environment or violates the privacy rights of others.
- C. Students shall not send, share, view or possess pictures, text messages, emails or other material depicting sexually explicit conduct, as defined in RCW 9.68A.011, in electronic or any other form on a cell phone or other electronic device, while the student is on school grounds, at school-sponsored events or on school buses or vehicles provided by the District.
- D. Students are responsible for devices they bring to school. The District shall not be responsible for loss, theft or destruction of devices brought onto school property or to school sponsored events.
- E. Students shall comply with any additional rules developed by the school concerning the appropriate use of telecommunication or other electronic devices.

Students who violate this policy may be subject to disciplinary action.
